

# **DR VIRENDRA SWARUP EDUCATION CENTRE SCHOOL**

## **HOLIDAY HOMEWORK**

**CLASS – 1 SESSION- 2023-24**

Summer vacations can be interesting, entertaining and excellent for enhancing skills and knowledge of children. It is a leisure time given over to specific purpose. It is expected that during vacations children should not just while away time rather they should regularly be in touch with the syllabus completed at school.

### **INSTRUCTIONS –**

- 1.Holiday homework must be done in a four- line notebook and submitted on the very first day when the school reopens after vacations.**
- 2.Children should also be encouraged and expected to read story books/Cherry book lessons and indulge in creative activities related to art, music and sports.**
- 3. Children should try to converse in simple English sentences.**

4. Be your children's role models. Keep the phone down when they are talking to you or when sitting to eat. You are indicating the phone is more important than the time you are spending with them.

**\*Do pages 9,10,51,52,75 in Collins Grammar book.**

Note - Write one sentence on one full page in English writing notebook.

1.6.23 Respect your elders.

6.6.23 Keep your school clean.

10.6.23 Pray to God everyday.

15.6.23 Sharing is a good habit.

23.6.23 Always try to do your best
